[1]Canvas - Print with bleed for wrap - add 15% - see framing pricelist for Canvas Stretcher

Toning	Sepia, Selenium, Split, Gold, and Iron Blue toning available. To be quoted at time of order.
Mounting	All fibre murals (larger than 20x24), analog and digital, must be mounted prior to shipping. We will not roll and/or tube fibre prints. We dry mount to 4 ply archival board and this prevents against damage in transportation.
